

■ ■ ■ ■ Are you prepared if interest rates rise?

If you're invested in bonds or bond mutual funds, you'll want to view this exclusive on-demand video presentation:

Preparing for a rise in interest rates

[Click here](#) to view at your convenience.

Wells Fargo Advisors' Chief Fixed-Income Strategist Brian Rehling will discuss:

- What factors could drive changes in interest rates
- How increasing interest rates may affect the value of fixed-income investments
- How to proactively manage your fixed-income investments in a rising interest rate environment

About the speaker

As chief fixed-income strategist in Wells Fargo Advisors' Advisory Services Group (ASG), Brian provides fixed-income market insight and analysis of corporate and preferred securities. He joined A.G. Edwards, a predecessor firm of Wells Fargo Advisors, in 1999 as a quantitative fixed-income analyst and spent several years as part of the firm's Institutional Fixed-Income Portfolio Strategies team. Prior to joining ASG, Brian focused on originating products in an investment banking debt capital markets role.

He serves on the firm's Investment Strategy Committee and Allocation Advisors Committee.

Brian is a CFA® charterholder and received his Bachelor of Science in business administration in finance from the University of Missouri.
